

**OLD KAMPALA SS OLD STUDENTS ASSOCIATION
Executive Committee**

3rd March 2026

The Permanent Secretary,
Ministry of Education and Sports,
P.O. Box 7064,
Kampala, Uganda

Dear Madam,

**COMPLAINT AGAINST THE HEAD TEACHER OF OLD KAMPALA SSS FOR
INCOMPETENCE AND MALADMINISTRATION**

I write to bring to your attention serious concerns regarding the leadership of Old Kampala SSS, specifically the actions of the Head Teacher, which we believe are detrimental to the school's well-being and contrary to government regulations.

The Head Teacher has engaged in unauthorized and destructive activities, including:

1. Cutting down historical trees planted by old students, misguided by foundation board members Mr. Don Muganzi Kitabire and Mr. Tom Balojja, without board approval and permits from KCCA and NEMA.
2. Selling the school bus, donated by old student President Paul Kagame, at a significantly undervalued price (60m) without following government procedures.
3. Selling school van and furniture without board approval.
4. Employing staff without board approval, repeating past mistakes of her predecessors despite warnings from IGG and Auditor General reports.

These actions demonstrate a lack of competence, disregard for procedures, and poor judgment. The Head Teacher's refusal to implement board decisions, such as stopping unauthorized staff appointments (minutes attached), further undermines the school's governance.

As old students, we warned the ministry about the risks of posting an inexperienced Head Teacher (letter attached). We reiterate our request for her immediate transfer and replacement with an experienced administrator who respects government procedures.

Yours sincerely,

Wagga Isaa
